Habibi went to ma3raka tonight.
Alhamdulillah I love him so much I
pray Allah grants him what he seeks-
that is, doing much damage to the
kuffar then being granted shahada. I
pray Allah takes him on the battlefield
and grants him the highest status. I
love him with all my heart but I
wouldn't want him to return. I know
what he wants and Allah knows more.
Ya Allah please grant him the best of
deaths. Ya Allah please grant me
patience and perseverance and have
us reunite under Your Throne.
